

The Society for Adolescent Substance Abuse Treatment Effectiveness (SASATE) 3rd Annual Meeting San Juan, Puerto Rico, June 18, 2004

The Society for Adolescent Substance Abuse Treatment Effectiveness (SASATE) 3rd Annual Meeting will be held on June 18, 2004 in San Juan, Puerto Rico (Caribe Hilton, 1-787-721-0303). The 2004 meeting will include 6 individual presentations on breaking adolescent treatment research; 5 concurrent small group roundtables for networking over lunch, 1 moderated discussion forum, and a business meeting. The meeting registration and meal expenses are being sponsored by SAMHSA's Center for Substance Abuse Treatment, though attendees will be responsible for their own travel, lodging and other expenses. The meeting is being held as a satellite meeting after the College of Problems on Drug Dependence (www.cpdd.org) that includes additional symposia and posters on adolescent substance abuse treatment. Registration materials are available at www.chestnut.org/li/apss/sasate/meetings/2004. **Please register by June 4 to ensure we have adequate materials and meals.**

Questions related to logistics can be directed to Joan Unsicker at Chestnut Health Systems by phone at 309-820-3543, x83413 or by email at junsicker@chestnut.org. Questions pertaining to the meeting program may be directed to Michael Dennis, Ph.D., Chestnut Health Systems, by email at mdennis@chestnut.org.
