

Global Appraisal of Individual Needs: Administration Guide for the
GAIN and Related Measures (Version 5)

Table of Contents

1.	Introduction, Questions and Organization.....	1-1
1.1	Introduction and Organization of the Manual.....	1-1
1.2	The Evolution of the GAIN and Summary of Changes for Version 5.....	1-4
1.3	Summary of Psychometrics	1-8
	Scales and Internal Consistency.....	1-8
	Factor Structure.....	1-9
	Test-Retest Reliability	1-10
	Validity Studies.....	1-10
	Other Studies Using the GAIN	1-11
1.4	Overview of GAIN Coordinating Center (GCC).....	1-11
	Core Service Area – Product Registration and Information	1-12
	Core Service Area – Training Services and Quality Assurance	1-12
	Core Service Area – Software Development and Technical Assistance	1-13
	Core Service Area – Data Management and Analytic Services	1-13
	Cross Cutting Services – Training and Certification	1-13
	Cross Cutting Services – Product and Report Development	1-16
1.5	Getting Started	1-17
2.	Conducting a Semi-Structured Assessment.....	2-1
2.1	The GAIN as a Semi-Structured Assessment	2-1
2.2	Ten-Plus-One Guidelines for Assessment Administration	2-2
3.	Basic Administration	3-1
3.1	General Information.....	3-1
3.2	Preparing to Administer the GAIN	3-4
3.3	Completing the Cover Page	3-4
3.4	Getting Started with the Participant.....	3-6
3.5	Self Administration.....	3-11
3.6	Additional Administration Instructions	3-12
	Documentation.....	3-12
	Items.....	3-13
	Engagement.....	3-14
	Using the “Past 90 Days” Time Frame When the Follow-up Is Not 90 Days Apart	3-14
	Administering “Since Last Assessment” Items On the Follow-up Version (M-90)	3-15
3.7	Substance Use Matrices, Recreating Time Outside a Controlled Environment, and Substance Quantity Conversion	3-15
	Completing the S2 Substance Use Frequency Grid.....	3-15
	Alcohol.....	3-16

Marijuana	3-17
Crack, smoked rock, or freebase	3-17
Other forms of cocaine.....	3-17
Heroin	3-18
Recreating Time Outside a Controlled Environment.....	3-18
Completing the S7 Detailed Treatment History Grid	3-18
Completing the S9 Detailed Substance Use Disorder Worksheet.....	3-22
3.8 Finishing the Assessment.....	3-22
Completing Section Z of the GAIN	3-22
Administrative Ratings	3-23
Optional Special Study Detail Page.....	3-24
Conducting a Field Edit	3-24
Documentation on the Cover Page	3-25
3.9 Treatment Urgency and Denial-Misrepresentation Ratings	3-25
Treatment Urgency Ratings	3-25
Denial Misrepresentation Rating	3-28
4. Quality Assurance in GAIN Administration.....	4-1
4.1 What Does “QA” Mean?	4-1
4.2 How Does the QA Process Work?.....	4-1
Sample QA Model # 1 – Audiotaped monitoring and written feedback	4-2
Sample QA Model #2 – Live monitoring and oral feedback.....	4-2
4.3 What Features Do You Look for When Assessing the Quality of an Interview? ...	4-3
Documentation.....	4-4
Instructions.....	4-5
Items.....	4-6
Engagement.....	4-7
4.4 How Do You Rate the Quality of the Four Major QA Sections of the GAIN?.....	4-7
What Does It Take To be “Certified” in GAIN Administration?	4-8
How Do You balance an Overall Great Performance Against a Very Few Minor Errors?.....	4-9
What’s the Bottom Line?	4-9
4.5 How do you Prepare QA Feedback?.....	4-9
Steps for Completing the Feedback Sheet	4-9
Guidelines for Preparing the Feedback.....	4-9
Sample Completed Feedback Sheets	4-10
4.6 What Are Some Common QA Problems on the GAIN?	4-10
Problem Items	4-10
4.8 Practice Session	4-11
4.9 Attachments Referenced in the QA Chapter.....	4-12
5. Diagnosis.....	5-1
5.1 Diagnosis of Substance Related Disorders	5-1
Terminology and Relationship to the GAIN.....	5-1
Detailed Diagnoses	5-5
Withdrawal.....	5-8

	Substance Induced-Disorders.....	5-11
5.2	Supporting Other Axis 1 Disorders.....	5-12
	(Other) Substance Related Disorders.....	5-12
	Mood Disorders	5-12
	Anxiety Disorders	5-12
	Disorders Usually First Diagnosed in Infancy, Childhood or Adolescence	5-12
	Other Axis I Disorders.....	5-12
5.3	Axis 2, 3, 4 and 5 Diagnoses.....	5-13
	Axis 2 Personality Disorder	5-13
	Axis 3 Biomedical Conditions that Might Complicate Treatment	5-14
	Axis 4 Psycho-Social Stressors.....	5-15
	Axis 5 Ratings.....	5-16
5.4	Using the GRRS and ICP to Support Diagnoses	5-20
6.	Level of Care Placement.....	6-1
6.1	Continuum of Care.....	6-1
6.2	Using the GAIN to Address ASAM Patient Placement Criteria	6-3
	Criterion A Diagnosis	6-3
	Criterion B1. Intoxication and Withdrawal Potential	6-4
	Criterion B2. Biomedical Conditions and Complications	6-5
	Criterion B3. Emotional/Behavioral Conditions and Complications	6-8
	Criterion B4. Readiness for Change	6-9
	Criterion B5. Relapse Potential.....	6-10
	Criterion B6. Recovery Environment	6-11
6.3	Using the GAIN Referral and Recommendation Summary (GRRS) and Individual Clinical Profile (ICP) to Support Placement Decisions.....	6-12
	General Conceptualization of Placement Needs.....	6-12
	Organization and Use of the GAIN Recommendation and Referral Summary (GRRS) to Support Placement	6-14
	Organization and Use of the GAIN Individual Clinical Profile to Support Placement.....	6-16
7.	Individualized Treatment Planning.....	7-1
	Relationship Between Assessment and Treatment Planning	7-1
	Transitioning From Assessment to Planning	7-2
	Conceptualization of Core Problems	7-2
	Feedback and Targeting of Problems	7-3
	Prioritizing General Areas for Treatment Planning.....	7-5
8.	Training, Certification and Clinical Supervision.....	8-1
8.1	Holding a Major Initial Training.....	8-1
	Before the Training.....	8-1
	During the Training.....	8-4
	After the Training	8-5
8.2	Training for Turnover	8-6
8.3	Global Appraisal of Individual Needs (GAIN) Certification	8-7

	Certification Levels.....	8-7
8.4	How to Get Certified.....	8-8
	How to get Administration Certification	8-9
	Deadlines for Completing the Certification Process.....	8-12
8.5	Documentation of Certification	8-13
	Continuing Education Credits.....	8-13
8.6	Clinical Supervision.....	8-18
9.	Program Evaluation	9-1
9.1	An Integrated and Progressive Approach to Assessment	9-1
9.2	Relationship of the GAIN to Program Evaluation in General	9-2
	Stakeholders.....	9-2
	Timelines.....	9-2
	Logistical Constraints	9-2
	Questions.....	9-3
	Other Evaluation Issues and Strategies.....	9-3
9.3	Planning to Implement and Use the GAIN	9-4
10.	References.....	10-1
