

Global Appraisal of Individual Needs: Administration Guide for the
GAIN and Related Measures (Version 5)

Table of Contents

1.	Introduction, Questions, and Organization	1-1
1.1	Introduction and Organization of the Manual.....	1-1
1.2	The Evolution of the GAIN and Summary of Changes for Version 5.....	1-3
1.3	Summary of Psychometrics	1-8
	Scales and Internal Consistency.....	1-8
	Factor Structure.....	1-9
	Test-Retest Reliability	1-10
	Validity Studies.....	1-11
1.4	Overview of the GAIN Coordinating Center (GCC).....	1-12
	Core Service Area – Product Registration and Information	1-13
	Core Service Area – Training Services and Quality Assurance	1-13
	Core Service Area – Software Development and Technical Assistance	1-13
	Core Service Area – Data Management and Analytic Services	1-13
	Cross-Cutting Services – Training and Certification.....	1-14
	Cross Cutting Services – Product and Report Development	1-16
1.5	Getting Started	1-17
	<u>Attachment 1-1</u> Definition of key GAIN roles and terms.....	1-18
2.	Conducting a Semi-Structured Assessment.....	2-1
2.1	The GAIN as a Semi-Structured Assessment	2-1
	<u>Exhibit 2-1</u> The Continuum of Assessment Administration Styles	2-1
2.2	Ten-Plus-One Guidelines for Assessment Administration	2-2
	<u>Exhibit 2-2</u> Top Ten-Plus-One Guidelines for Assessment Administration .	2-3
3.	Basic Administration	3-1
3.1	General Information.....	3-1
3.2	Preparing to Administer the GAIN	3-4
3.3	Completing the Cover Page	3-5
3.4	Getting Started with the Participant.....	3-7
	<u>Exhibit 3-1</u> Short Blessed Test to Check for Cognitive Impairment	3-9
3.5	Self-Administration.....	3-11
3.6	Additional Administration Instructions	3-12
	Documentation.....	3-12
	Items.....	3-13
	Engagement.....	3-15
	Using the “Past 90 Days” Time Frame When the M90 Follow-up Is Not Exactly 90 Days Later	3-16
	Administering “Since Last Assessment” Items on the M-90.....	3-16
3.7	Substance Use Matrices, Recreating Time Outside a Controlled Environment, and Substance Quantity Conversion	3-17

	Completing the S2 Substance Use Frequency Grid.....	3-17
	Alcohol.....	3-18
	Marijuana	3-19
	Crack, rock, or freebase	3-19
	Other forms of cocaine.....	3-20
	Heroin	3-20
	Recreating Time Outside a Controlled Environment.....	3-20
	Completing the S7 Detailed Treatment History Grid	3-20
	<u>Exhibit 3-2</u> Summary of Treatment History and Directions and Codes.....	3-22
	Completing the S9 Detailed Substance Use Disorder Worksheet.....	3-23
3.8	Finishing the Assessment.....	3-23
	Completing Section Z of the GAIN	3-23
	Administrative Ratings	3-24
	Conducting a Field Edit	3-25
	Documentation on the Cover Page	3-26
3.9	Treatment Urgency and Denial-Misrepresentation Ratings	3-26
	Treatment Urgency Ratings	3-26
	<u>Exhibit 3-3</u> Treatment Urgency Rating (UR) Card.....	3-27
	Denial Misrepresentation Rating	3-29
	<u>Exhibit 3-4</u> Denial and Misrepresentation (DM) Rating Card.....	3-29
	<u>Attachment 3-1</u> Crosswalk of Substances to GAIN Class and DSM-IV-TR Diagnostic Groups	3-31
4.	Quality Assurance in GAIN Administration.....	4-1
4.1	What Does “QA” Mean?	4-1
4.2	How Does the QA Process Work?.....	4-1
	Sample QA Model # 1 – Audiotaped monitoring and written feedback	4-2
	Sample QA Model #2 – Live monitoring and oral feedback.....	4-2
4.3	What Features Do You Look for When Assessing the Quality of an Interview?... 4-3	
	Documentation.....	4-4
	Instructions.....	4-5
	Items.....	4-6
	Engagement.....	4-7
4.4	How Do You Rate the Quality of the Four Major QA Sections of the GAIN?..... 4-8	
	What Does It Take To Be “Certified” in GAIN Administration?	4-8
	<u>Exhibit 4-1</u> Rating Scales for Quality Assurance Reviews	4-8
	How Do You Balance an Overall Great Performance Against a Very Few Minor Errors?.....	4-9
	What’s the Bottom Line?	4-9
4.5	How Do You Prepare QA Feedback?.....	4-9
	Steps for Completing the Feedback Sheet	4-10
	Guidelines for Preparing Feedback.....	4-10
	Sample Completed Feedback Sheets	4-10
4.6	What Are Some Common QA Problems on the GAIN?	4-10
	<u>Exhibit 4-2</u> Common Errors in GAIN Administration and Documentation 4-10	
	Problem Items	4-11

4.8	Practice Session	4-11
4.9	Attachments Referenced in the QA Chapter.....	4-12
	<u>Attachment 4-1</u> Summary Sheet of QA Feedback.....	4-13
	<u>Attachment 4-2</u> Introducing the GAIN-I to Adolescents – Oral Administration	4-15
	<u>Attachment 4-3</u> Summary Sheet of QA Feedback – Shawn.....	4-17
	<u>Attachment 4-4</u> Summary Sheet of QA Feedback – Cookie Doe	4-26
	<u>Attachment 4-5</u> Summary Sheet of QA Feedback – Joe Oak.....	4-31
	<u>Attachment 4-6</u> The Top 10 GAIN Inconsistencies	4-35
	<u>Attachment 4-7</u> QA Summary Sheet Training Guide.....	4-38
	<u>Attachment 4-8</u> GAIN Submission Form	4-48
5.	Diagnosis.....	5-1
5.1	Diagnosis of Substance-Related Disorders.....	5-1
	Terminology and Relationship to the GAIN.....	5-1
	<u>Exhibit 5-1</u> Crosswalk from DSM-IV-TR Criteria to GAIN.....	5-3
	Detailed Diagnoses	5-5
	<u>Exhibit 5-2</u> Crosswalk of DSM -IV Diagnostic codes to GAIN	5-6
	Withdrawal.....	5-8
	<u>Exhibit 5-3</u> Crosswalk of DSM-IV-TR Substance Specific and General Withdrawal Symptoms with GAIN Current Withdrawal Scale.....	5-9
	Substance Induced-Disorders.....	5-11
5.2	Supporting Other Axis I Disorders	5-11
	(Other) Substance Related Disorders.....	5-12
	Mood Disorders	5-12
	Anxiety Disorders	5-12
	Disorders Usually First Diagnosed in Infancy, Childhood or Adolescence ...	5-12
	Other Axis I Disorders	5-12
5.3	Axis II, III, IV, and V Diagnoses.....	5-13
	Axis II Personality Disorder	5-13
	Axis III Biomedical Conditions that Might Complicate Treatment	5-13
	Axis IV Psycho-Social Stressors	5-14
	Axis V Ratings.....	5-16
	<u>Exhibit 5-4</u> Global Assessment of Functioning (GAF)	5-17
	<u>Exhibit 5-5</u> Global Assessment of Relational Functioning (GARF) Scale..	5-18
	<u>Exhibit 5-6</u> Social and Occupational Functioning Assessment Scale (SOFAS)	5-19
5.4	Using the GRRS and ICP to Support Diagnoses	5-20
6.	Level of Care Placement.....	6-1
6.1	Continuum of Care.....	6-1
6.2	Using the GAIN to Address ASAM Patient-Placement Criteria	6-3
	Criterion A: Diagnosis	6-3
	Criterion B1: Intoxication and Withdrawal Potential	6-4
	Criterion B2: Biomedical Conditions and Complications	6-5
	Criterion B3: Emotional/Behavioral Conditions and Complications	6-8

	Criterion B4: Readiness for Change	6-9
	Criterion B5: Relapse Potential	6-10
	Criterion B6: Recovery Environment	6-11
6.3	Using the GAIN Referral and Recommendation Summary (GRRS) and Individual Clinical Profile (ICP) to Support Placement Decisions.....	6-12
	General Conceptualization of Placement Needs.....	6-12
	<u>Exhibit 6-1</u> Interaction of Problem Severity and Treatment Over Time	6-13
	Organization and Use of the GAIN Recommendation and Referral Summary (GRRS) to Support Placement	6-14
	Organization and Use of the GAIN Individual Clinical Profile to Support Placement.....	6-14
7.	Individualized Treatment Planning.....	7-1
	Relationship Between Assessment and Treatment Planning.....	7-1
	Transitioning From Assessment to Planning	7-3
	Conceptualization of Core Problems	7-3
	Feedback and Targeting of Problems	7-4
	Prioritizing General Areas for Treatment Planning	7-6
	<u>Exhibit 7-1</u> Treatment Planning Worksheet	7-6
8.	Training, Certification, and Clinical Supervision	8-1
8.1	Holding a Major Initial Training.....	8-1
	Before the Training.....	8-1
	During the Training.....	8-5
	After the Training	8-6
8.2	Training for Turnover	8-6
8.3	Global Appraisal of Individual Needs (GAIN) Certification	8-7
	Certification Levels.....	8-8
8.4	How to Get Certified.....	8-11
	How to Get Administration Certification	8-11
	Deadlines for Completing the Certification Process.....	8-15
8.5	Documentation of Certification	8-16
	Continuing Education Credits.....	8-16
	<u>Exhibit 8-1</u> GAIN Usage Agreement.....	8-16
	<u>Exhibit 8-2</u> GAIN Local Trainer’s Agreement.....	8-17
	<u>Exhibit 8-3</u> GAIN National Trainer’s Agreement	8-18
	<u>Exhibit 8-4</u> Achieving GAIN Certification.....	8-19
8.6	Clinical Supervision.....	8-20
9.	Program Evaluation	9-1
9.1	An Integrated and Progressive Approach to Assessment	9-1
9.2	Relationship of the GAIN to Program Evaluation in General	9-2
	Stakeholders.....	9-2
	Timelines.....	9-2
	Logistical Constraints	9-2
	Questions.....	9-3

	Other Evaluation Issues and Strategies.....	9-3
9.3	Planning to Implement and Use the GAIN.....	9-4
	<u>Exhibit 9-1</u> Common Implementation Questions	9-5
10.	References.....	10-1
