"The best antiseptic

is undoubtedly that which is the least harmful to man in the dose required for asepsis.—*M. Dujardin Beaudet.*

LISTERINE

a safe, trustworthy, non-toxic antiseptic, answering every requirement of the physician and surgeon. In special practice, notably Laryngology and Rhinology, Listerine occupies an unrivaled position by reason of its excellence and wide range of utility.

An interesting little brochure, entitled:
"The TREATMENT of DISEASES of the RESPIRATORY SYSTEM,"
will be mailed to your address, upon application.

LAMBERT'S LITHIATED HYDRANGEA

A remedy of acknowledged value in the treatment of all diseases of the urinary system and of especial utility in the train of evil effects arising from a uric acid diathesis. A pamphlet treating of "Renal Derangements" may be had by addressing:

LAMBERT PHARMACAL CO., St. Louis.
