Up-ward on this win - ding road, on - ward with these friends.

5 Left a world of hurt be - low, and we won't go back a - gain. And if your

9 road is diff - erent from mine, we can still walk to - ge - ther, side by side, and we get

13 strong - er, strong er, strong er as we rise!

What is broken can be healed,
What is wrong, made right.
Now I know that hope is real
When I see it in your eyes.

And if your road is different from mine,
We can still walk together, side by side
And we get stronger,
Stronger,
Stronger as we rise!

I can sing out loud and clear
With you by my side.
No voice is too small to hear,
No life too lost to find

And if your road is different from mine,
We can still walk together, side by side
And we get stronger,
Stronger,
Stronger as we rise!
